Northwest Mennonite Conference Newsletter

March 2010

In February twelve people from Bethany Christian Fellowship in Smith, Alberta spent a weekend taking the LIFE Weekend course Gospel of John. This is the third LIFE course they have taken with the attendance varying between 12 and 21 students.

It's a full weekend, with two lessons on Friday night, five on Saturday and the last one Sunday morning, but the Smith people have always risen to the challenge!

Conference Minister Mal and Eleanor Braun have been offering LIFE Weekends to the churches for several years. They will come to your church and teach a course at your convenience. The host church pro-

vides coffee breaks, Saturday lunch (or people bring a bag lunch), and accommodation and meals for the teachers. Students receive Student Books with lesson outlines, charts, maps, and extra notes. The cost is only \$30 per person.

Courses offered include:

- * Old Testament Survey
- * New Testament Survey
- * Gospel of John
- * How we got the Bible
- * Church History I
- * Church History II

Other Books of the Bible are available upon request.

As a Conference, we feel it is part of our mandate to offer resources to our churches and to encourage the study of the Scriptures. Call Mal or Eleanor today to schedule your LIFE Weekend!

Salem Food Drive

Salem Mennonite Church in Tofield brought a wagon into the sanctuary as a receptacle for a food drive. It appears they had no trouble filling it up!

The wagon belongs to Joe Kauffman. It was made in 1948 and his father used it to haul grain and pigs to market! For years it sat in their pasture and then Joe restored it for Tofield's 100th Anniversary. His brother pulled it in the parade with Joe, Elaine and grandchildren riding in it. In 2012 their farm will have been in their family for 100 years.
